

Get free tickets and discounts for 4YFN by joining FACE Entrepreneurship's community

FACE Entrepreneurship is raffling off four free tickets for "4 Years From Now", one of the largest events for the technology sector, and giving a 30% discount to all their subscribers.

FACE Entrepreneurship is raffling off four free tickets (one per winner) for "4 Years From Now" (4YFN) among the users registering in its platform before February 18th [here](#). The four winners will be the ones with the most positive votes on their contributions on the digital platform during this period. Moreover, all the members subscribed to FACE Entrepreneurship's [newsletter](#) will receive a promotional code that they can use to get a 30% discount when purchasing tickets for the event.

Based on gamification dynamics, FACE Entrepreneurship offers a wide range of resources distributed in a box representing the path that any entrepreneur would follow in the process of converting its ICT idea into a product or service fit for the market. Each square in the box represents a situation that any entrepreneur could face and it shows different content and activities to participate in. Thanks to the gameplay, participants can win different prizes like these "4YFN" tickets, trips to offline events, guided visits consolidated start-ups, and much more.

4 Years From Now

"[4 Years From Now](#)" is one of the largest events for the technology sector that is working to figure out which direction to head in. In particular, this meeting organized in Barcelona as part of the Mobile World Congress is listed as one of the best for technology startups. Here, entrepreneurs can meet investors, accelerators, incubators and large corporations. For three days, 4YFN will offer conferences, workshops and debates in which the entrepreneurship community can actively participate in. Similarly, face to face meetings between investors and entrepreneurs are planned as well as startup competitions like the Global Mobile Innovators Tournament Final, sponsored by IBM.

More about FACE Entrepreneurship

[FACE Entrepreneurship](#) is a European campaign led by Grupo Secuoya and funded by the H2020 European Commission Programme. It's main goal is to promote ICT entrepreneurship among young Europeans and to challenge the perception of failure through the understanding of concepts such as resilience and risk aversion, and through the confrontation of the most common fears entrepreneurs FACE.

Besides online resources such as interviews with top of the line entrepreneurs, direct tips about what investors value the most and are looking for and information for starting up a business, FACE Entrepreneurship offers offline events with workshops, panels, networking sessions with well-known entrepreneurs and much more.
